DIRECTIONS

To the UAW Union Hall and the Spring Hill Inn and Suites by Best Western in Spring Hill, TN (from Nashville):

TO THE UAW HALL:

From I-65 South, take Exit 53 (Highway 396 Saturn Parkway Spring Hill/Columbia). Go approximately 4.5 miles to the 3rd exit (Highway 31 Spring Hill/Columbia). This exit will immediately split. Take Spring Hill North exit to Highway 31N. Go approximately 0.3 miles on Highway 31N to the 1st traffic light. Turn left on Stephen P. Yokich Parkway. (You will see a Food Lion store and a McDonald’s on this corner.) UAW Union Hall is on the left directly behind Food Lion. Entrance to the banquet hall is to the left of the flags.

TO THE SPRING HILL INN AND SUITES BY BEST WESTERN:

Go an additional 0.3 miles (approximately) on Highway 31N to Kedron Road. (This will be the 2nd traffic light on Highway 31.) Turn left at the traffic light to the second drive on right.
Registration begins at 8:30 am, Monday, February 13, and the technical program will start at 10:00 am. Please pass the word to your friends and colleagues!

This conference is an informative and inexpensive way to earn professional development hours.

It is also conveniently scheduled the same week as the Pumper Show to attract exhibitors and those coming from out of town.

The conference speakers will have broad appeal to onsite wastewater professionals. They include:

- Dr. Jack Sheaffer, founder of the Sheaffer System, will speak on the alternative sewage treatment system that utilizes an aerated deep cell lagoon treatment.
- Doug Lassiter, Vice President of Southeast Sales for E-Z Set Company and Executive Director and Lobbyist for North Carolina Septic Tank Association, will speak about onsite system installation.
- Jeff Koch, National Federation of Small Business, will talk about saving costs on compensation and health insurance for small businesses.
- Charlie McEntyre, P.E, Tennessee Valley Authority, will discuss a research study on wastewater characteristics of marina and campground waste.
- Dr. John Buchanan, P.E, University of Tennessee, will discuss how trench design affects water movement into the soil and drip irrigation as a means of distributing wastewater.
- Sanmi Areola, Nashville Metro Health Department, will speak on diseases associated with sewage and how to prevent disease while working around untreated sewage.
- Robin Trundy, University of Tennessee, will provide a presentation on workers safety.
